Travelers with Carry-on ONLY: It is your responsibility to inform the dispatch of Blue Sky Limo in case you are expecting to travel WITHOUT checked bags. If we do not hear from you, we will assume that you are checking in your luggage, and it will take you 30-45 minutes to pick it up. If you did not inform our dispatch about traveling without luggage, there might be delay with your pickup, as the driver will be assuming that you need time to pick up your luggage. Please contact us the day before travel to avoid delays with your pickup, and to inform us about traveling with or without luggage.

Airport Pick Up Wait Time: Upon your airport arrival BlueSkyLimo allows a grace period of 45 minutes (1 hour for International Arrivals). Vehicle hourly pricing of \$200 per hour will go into effect after this grace period is over, and will be prorated at \$50/per every 15 minutes. If you have not contacted your driver or BlueSKYLimo by phone, you will be charged in full for the reservation.

In case your group arrives with different flights, make sure you have provided all flight numbers; otherwise, you will be charged waiting time of \$50/per every 15 minutes (\$200/per hour) for the delayed flights, that dispatcher was not aware of. Blue Sky Limo will track up to 2 (two) inbound flights provided. There will be an extra fee of \$50 per each additional flight/passenger arriving on a different flight as there is a higher chance for delays. Blue Sky Limo is not responsible for tracking all the outbound flights. It is client's responsibility to track the outbound flight, and inform us about any delays/cancelations in a timely manner.
